# Important information

- ▶ The authorization to contract is valid for five years. You must file your renewal application **at least 90 days before the expiry date** of the current authorization.
  - **If this deadline is met**  
The authorization will be valid until we have processed your application. In the interim, your enterprise will be allowed to continue fulfilling its current contracts and to sign new ones. (You will then be asked to include the confirmation of your renewal application with your letter of authorization, as described on page 25 of this guide.)
  - **If your application is not filed on time**  
Your enterprise will be removed from the *Register of firms authorized to practise* (REA). Once its authorization expires, your enterprise will no longer be able to enter into new public contracts involving an expenditure exceeding the applicable government thresholds. However, you must continue with any existing contracts and submit a list of such contracts to us.
  - **Reminder**  
It is compulsory to have a valid authorization to contract for the duration of the contract. If you let your authorization expire while the contract is in force, you may be subject to Monetary administrative penalties (\$1,000 for sole proprietorships and \$2,500 in all other cases).
- ▶ You must provide the **audited financial statements** for the latest fiscal year of the enterprise or at least a **review engagement report** on the financial statements for the latest fiscal year. **Notices to reader and compilation engagements will not be accepted.**
- ▶ The renewal application must be completed and submitted by the enterprise's respondent.
- ▶ It's recommended to use a computer instead of a mobile device, and to use Chrome or Edge browsers.
- ▶ Do not activate the automatic translation (e.g. Google Translate), since the terminology used is likely to differ from the terms in this guide. Instead, you can change the language by clicking on **En** or **Fr** at the top of the website.

## IF YOU DO NOT WANT TO RENEW YOUR AUTHORIZATION

- ▶ You must apply for non-renewal (see [page 29](#)).
- ▶ Even if we receive your application in advance, your authorization to contract will be valid until its expiry date.
